Miss Hazel Anderson,
Harbor springs, Mich.,

Dear Hazel:

This is a very personal note. Have you signed up for next year? If not, I think I can work up a proposition you will be interested in. I am going as Supt. at Lake Linden next year and need a good teacher of French and Latin or French and English. Would you be interested? They have a fine school, just a duplicate of the Soo High. They have a little over 300 in a fine, peppy, up-and-going school. Just the kind I think you are ready for. If you are interested send me a formal letter of application and other credentials. In the meantime, I will get a more definite line on the situation. What salary are you now getting?

Lake Linden is a good town. A night's ride from the Soo and easy to get at. I know I am going to like the place and I am sure it is a good town for teachers to live in. If you are interested, and I hope you are, let me hear from you by return mail.

Yours truly,
