Dear Dr & Mrs Hedberg, Betsy & Carl,

I have just returned from a couple of weeks "at home" in England, to learn of your recent loss.

I was terribly sad to read of the death of Mrs Hedberg, & sorry not to be able to attend the services.

As you know I came to know the Senior Hedbergs well over the past 15 years & became fond of them. Knowing them well, with Dr Hedberg passing, I'm sure that Mrs Hedberg missed him terribly, as they were such a team for so long. I therefore hope that she did not suffer in her loneliness.

However Mrs Hedberg lived to a wonderful age & with great spirit & courage. I remember her, during the recovery from her hip problems, that her spirit, &

determination to come to the saddle for a meal, speeded the recovery process.

To have been part of the family celebrations all of these years, important anniversaries, significant birthdays & "the" retirement parties, only enhances the loss & the permanence of losing someone special like Mrs Hedberg.

As we look ahead, we are all fortunate to have had the opportunity to ^{have} known someone like Mrs Hedberg, to inspire us to make a difference in the world as she has done for us.

You are all in my thoughts & prayers.

Fondly

Tim
